

E-Plan for the Fire Service

Charles Keller

Special Operations Lieutenant

St Johns County Fire Rescue

First Responders Advantage

- One stop resource for chemical search during initial response
- Provides MSDS, ERG guidebook, Chemical profile and CHRIS manual page if available.

Advantages Continued

- Provides quick search tool for WMD response
- Has Links for NIOSH guide as well as Wisser.
- Can search by DOT#, Chemical name, NFPA 704, or CAS #

How SJCFR uses E-Plan

- Access through MDT in officers seat of truck
- Internet access is all that is needed.
- Login to site specific access only granted to BC's, Captains, and Special Operations officers to maintain security.

Site Specific

- No Tier II
- Nothing in E-Plan
